*Note* :—

1 Tenders will be opended on the same day, if possible, in the presence of such of the tenderers or their representatives as may choose to attend.

2 Right to reject any or all tenders without assigning reasons whatsoever is reserved by the authority competent to accept tender.

3 Cement and Steel will be issued if available to the tendered contractor by the Department at rates noted in Schedule 'A' or else he has to make his own arrangements to procure them and use on works.

4 Plans and Estimates can be seen in the office on all working hours.

5 Rates should be quoted both in figures and words visibly in INK only, otherwise tenders are liable for rejection.

6 Contractor holding permanent deposit under Rules of Registration are exempted from payment of Earnest Money Deposit at the time of submission of tenders only. But they have to pay security deposit calculating at 2½ per cent of the work portion put to tender before entering into agreement in case their tender accepted.

7 Necessary deductions for voids and collections of royalty will be effected as per rules from time to time.

8 The tender of the above work shall not be witnessed by a Contractors who himself/themselves has/have tendered and who may in tendering for the same work. Failure to observe this condition would render the tender of the contractor tendering as well as witnessing liable for rejection (*vide* G. O. No. PWD/110/EGL/62/dated 5th February 1964).

9 If it is intended that the Department might hire machinery optionally as per prevailing hire rates, and further, the Government take no responsibility, if any machineries are not made available (as per Chief Engineer's Circular No. PHG/BR. I/MISC/66–67, dated 4th March 1967).

S. B. NARASIMHAIAH,
*Ex. Engr.*
